We do things differently at Lefty's. We make things way better than they need to be because we care. We take all white meat Chicken Tenders and brine them for 24 hours. We then hand-bread them to order in a rice flour and secret spice blend (that's right no wheat means no gluten) and fry them to a golden perfection. Tendies are served with a complimentary side of either Waffle Fries or Tater Tots. Sweet Potato Fries are an extra \$2. Complimentary dipping sauce of either Ranch, BBQ, Honey Mustard are available.

Additional dipping sauces \$.75 each.

Change things up by trying them tossed with sauce: Buffalo (🌶️), Spicy Asian, Tikka Masala, Garlic Parmesan or BBQ for only \$1.50 extra.

CHICKEN WINGS

Dry 6 for \$10.50 or 12 for \$21

Wet 6 for \$12 or 12 for \$24

Just like our chicken tenders we make these wings better than they have to be, which means we buy the best wings on the market and then brine them for 24 hours. Once you order them, we fry them to a golden perfection and one of three ways: (1) dry, (2) with a lemon pepper rub or (3) wet with a toss in either Buffalo, Spicy Asian, Tikka Masala, Garlic Parmesan or BBQ sauce. Additional dipping sauces \$1.50 each

GREENWOOD & ARCHER PIES (PIZZA)

Why Pizza? We are serving Pizza because we do it better. Pizza, like all great food, is about the quality of ingredients. A pizza is mostly crust after all so that makes the quality of the pizza dough paramount. Our dough's secret ingredient is time. We won't serve any dough before it is allowed to cold-ferment for 72-hours. Why 72-hours? Ask your chemistry teacher, all we know is that it is way, way better when you wait 3 days to bake it. Our red pizza sauce is never cooked prior to baking and does not contain a single milligram of sugar and why is that? It's because we use D.O.P. certified San Marzano tomatoes. Don't get us wrong we love farm to table too but something happened to tomatoes when the Europeans brought them back from this Continent all those centuries ago and the Italians in the San Marzano region do them better than anyone else. It is for that same reason that all of our pizzas use D.O.P. certified Parmesano Reggiano cheese. We also use a sheep's milk cheese called Pecorino Romano on every pizza and for the third and main cheese, we use Whole Milk Mozzarella. You know anyone who ever craved low-fat ice cream? We don't either. We don't cut any corners with our pies and we are sure you will taste the difference with your very first bite. Enjoy!
